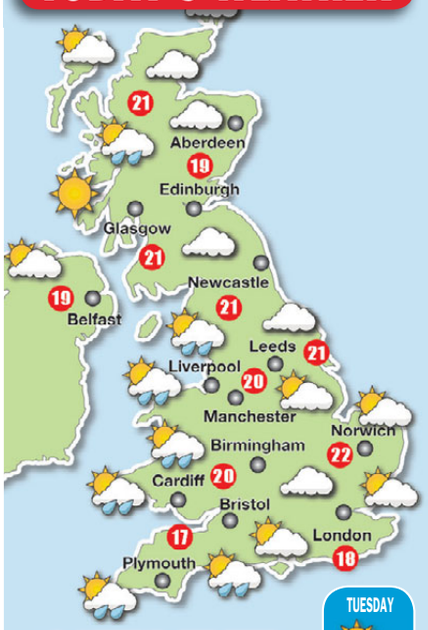
TODAY'S WEATHER



A LITTLE STICKY

TODAY it will will remain warm and muggy for most with sunny spells.

A few thundery showers are likely to break out though, particularly in the north and west.

Temperatures of 18C in London, 20C in Cardiff and Manchester, 19C in Belfast and Edinburgh.

Tomorrow, mist, low cloud and drizzle may linger on the coasts of eastern Scotland and north-east England.

Temperatures of 19C in London, 21C in Cardiff, 22C in Manchester, 17C in Belfast and 18C in Edinburgh.

OUTLOOK: Mixed.

THAT'S NET FUNNY!

My brother just had a decorator in to do some work. He got chatting to him and it turns out he is a Ryan Air pilot who's been furloughed and earning a bit of extra cash.

He made a lovely job of the landing. 18:58 ✓✓

CONSPIRACY: Clive is gutted his tomato growing tutorial vids have not been aired

I've been SHITTING on my prize tomatoes for years – why not show my video, Monty Don?

RESPECTED HOST: Monty

CLIVE'S FURY AT GARDENERS' WORLD SNUB

FOR a show that relies on lots of filming, up and down the country, lockdown was never going to be easy for bosses at *Gardeners' World*.

But restrictions came into force right at the start of the gardening season and somehow, an hour each Friday evening had to be filled.

So programme makers came up with a storming idea – asking VIEWERS to send in short videos of their own gardens, which could be presented by respected host Monty Don.

Juicy

But one green-fingered grower's tapes have NOT been shown, despite him sending in a clip every week.

Tomato grower Clive Bassett, 68, of Middleton in Manchester, has won prizes nationwide for his juicy fruits.

And his secret is using his OWN DUNG to fertilise them.

Sadly the retired gas fitter's vids, in which he kindly shares his secrets, have yet to be shown on *Gardeners' World* – and he senses a conspiracy.

By SIMON DEAN
simon@sundaysport.co.uk

He told *Sunday Sport*: "I've filmed myself shitting on the tomatoes, to show exactly how it's done.

"It's not easy shitting while holding a camera phone, I can tell you.

"But have my videos been shown? No. And I know why – because I'm a white, happily-married man. Married to a woman – just as God intended, I hasten to add!

"I obviously don't fit the bill for these 'woke' telly people – there's no shortage of 'Brighton types' on *Gardeners' World*, is there?

"This is political correctness gone stark staring mad!"

A source at *Gardeners' World* said: "We get a lot of videos sent in and we simply can't show them all."

Dog owner wins alligator tug-of-war

A MAN had "a tug-of-war match" with an alligator that grabbed his dog and pulled it into the river.

Trent Tweddale was walking six-year-old Loki on his farm in Wesley Chapel, Florida, when the 13-ft beast attacked.

Tweddale, a former Army staff sergeant, said: "I grabbed the dog's collar to try to pull him back and I ended up in a tug-of-war match with this gator.

"So I let go of the collar and got into the water and started pounding on the gator's head until he eventually let go.

"Loki needed surgery on his front leg but will be OK."

MONDAY

BRISTOL wrestles with its dark past after a statue of a former slave trader is torn down and chucked into the harbour by anti-racism campaigners.

Lucky fella. You normally have to pay at least a tenner to be tossed off by the docks.

Bristol Council is refusing to say how much the incident cost but at least the replacement statue will be cheaper.

Because you can guarantee the right-on brigade's choice will be missing at least one limb – so that'll save on bronze.

TUESDAY

THE pub and restaurant trade begs for the social distancing rule to be slashed from two metres to one metre, saying their businesses will collapse otherwise.

"It might be half as long but it's just as effective and we promise you'll still feel safe and comfortable," said a spokesman for the industry.

Funnily enough, we were using that exact same line in Ipubs before coronavirus – mainly while chatting up lasses. We even offered to wear a mask.

WEDNESDAY

THERE'S great news for sex-starved couples who live in different homes as the Prime Minister announces that single adults can now form "bubbles" with one other household.

That means they can now meet up INSIDE the home, and stay the night, with no obligation to stay two metres apart.

Presumably this arrangement is called a "bubble" because there'll be lots of blowing… but it'll only take the lightest of touches to make it go "pop".

THURSDAY

SCOUTS flock to the seaside town of Poole to protect a statue of Robert Baden-Powell, the man who founded the movement.

They encircled the bronze cast after it was targeted by anti-racism groups who say he was a closet Nazi.

Ah well. I'm sure it's not the first time a Scout leader has enjoyed a boys' tight ring around him.

FRIDAY

THE statue wars continue as a bust of a black man in Bristol is doused in bleach.

Police suspect far right thugs were to blame, saying the attack could even fall under the definition of "domestic terrorism".

Or, at the very least, Domestos terrorism.

SATURDAY

THE chief of Hampshire Police reveals that two-thirds of her officers are overweight.

We're not sure which two-thirds but we're guessing the thighs, arse, belly and tits. It's no laughing matter, of course. Overweight officers are less able to chase and detain criminals.

On the other hand, you can probably stand one of the fat fkers in front of an "offensive" statue and no-one will be able to see it.**

THE RICH LIST

love island

Stars who've made a mint from ITV2 show

TO most normal people, cavorting half-naked on TV would be something to avoid at any price.

By SIMON DEAN
simon@sundaysport.co.uk

But still thousands apply to star on ITV2's insanely-successful reality show *Love Island*.

And it looks like it might be worth selling your soul and dignity.

While the show winners take home half of the £50k prize, the real money is made through magazine deals, clothing lines and sponsored social media posts.

Stars from Amber Gill to Molly-Mae have bagged a whopping £2million or more since starring on the show – but Series Two runners-up Olivia Buckland and Alex Bowen have done even better. leading the pack of reality show earners with a handy £4.5m in the bank.

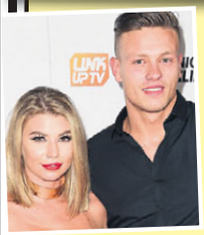
Here we take a look at the stars who landed the biggest paydays since leaving the *Love Island* villa...

£2million
MEGAN BARTON-HANSON

THE bombshell of 2018's season has wasted no time racking up that cash, becoming an ambassador for online clothes retailer PrettyLittleThing and tanning giant Isle of Paradise.

She appeared on *Celebs Go Dating* and has kept fans entertained during lockdown with her *Megan Loves* edit for Ann Summers in a deal that's rumoured to be worth six figures.

£4.5million
OLIVIA BUCKLAND & ALEX BOWEN



SINCE getting it on in 2016's *Love Island*, Alex and Olivia have become a real power couple worth a huge £4.5million.

They bagged a £25,000 magazine deal for their wedding and starred in their own TLC show, *Olivia & Alex: Happily Ever After*.

Now the pair share a lavish Essex home.

£2million
MOLLY-MAY HAGUE & TOMMY FURY

MOLLY got off to a flying start with her PrettyLittleThing clothing range, which netted her £500,000.

And with her 4.2million followers she can make £10K per Insta post.

Mayo-lover Tommy starred in a Hellmann's ad, has a deal with BoohooMAN plus he combines boxing with telly appearances.

£2million
AMBER GILL

AMBER shared last year's *Love Island* prize with Greg O'Shea, but they split weeks later and she went on to become the show's fastest-earning star.

The savvy ex-beauty therapist earned a whopping £1million from her Amber Gill x Misspap collection and uses her influencer power to command a pretty cool £10k per Instagram post.

£1.7million
DANI DYER

BAGGING the £50K prize with Jack Fincham in 2018 was just the start.

Since then, she's collaborated with In The Style, Mark Hill Hair, Lucozade and Cadbury.

Her Insta account is lucrative, earning her an estimated 15K a post and she also starred in *Nativity! The Musical* with her dad Danny.

Contact worries as couple have sex in cemetery

A COUPLE were reported to the police after having lockdown sex in a CEMETERY.

A passerby spotted the pair having if off near a fenced-off part of the graveyard – as Government messages warned against meetings and close-contact.

Police were called amid concerns over public indecency – and fears the horny pair may not have been from the same household.

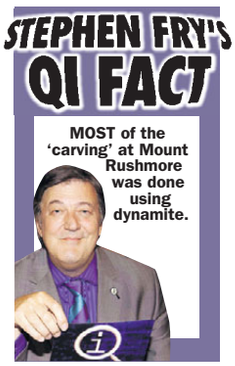
The witness took to Facebook to warn parents visiting the Brandwood Cemetery, in Kings Heath, Birmingham with young kids.

He said: "Out for a walk a couple hours ago and went through Brandwood Cemetery. Two people having intercourse in the fenced-off pond section.

"I reported it to the police mainly due to public indecency as I don't know if they were living in the same household.

"Awful for anybody visiting to tend to a family grave."

Police did not attend as the couple had left.



Self-drive commuters w**k on way to work

WHAT would people do to fill time while being ferried around in a self-driving car?

Have sex and a wank, appears to be the answer.

According to a survey conducted by We-Vibe, it seems "doing work" is well down the list.

Instead, if given a self-driving car, 20% would spend their travel time having sex and 11% would masturbate, while only 8% would dedicate the extra time to work.

Autonomous vehicles are also likely to be incredibly connected vehicles, meaning you could potentially leave home later and start your work day from the time you start your commute.

This idea of taking sex out on the road comes as no surprise, when 34% of the women polled revealed their top sexual fantasy is outdoor nookie.

JEZZA LIVES IN A BOTTLE BANK AND GAZZA FEEDS HIM BREAD

CARING: Gazza won't let Corbyn lookalike go hungry

LOCKDOWN has proved unexpectedly bountiful for homeless Keith Braddick.

By JUSTIN DUNN
news@sundaysport.co.uk

The 68-year-old itinerant, who bears an uncanny likeness to deposed former Labour leader Jeremy Corbyn, has been taking advantage of what readers of The Guardian call "the new normal".

Since March, the only form of self-isolation Keith has attained has been within a smelly bottle bank in Bournemouth.

Luckily for Keith, it is also where bored local residents drinking themselves to death during the coronavirus pandemic have been queuing up, with appropriate social distancing, to dump their sorry empties.

"But it's been great," said Keith. "People are so drunk, they're leaving loads in the bottles, so I'm cleaning up.

"Only this morning I was able to tuck into a liquid breakfast of mixed red and white vino dregs, a glug of Kalhua, a half-can of Gold Label barley wine and a throatful of cheap cider."

But man cannot live on booze alone – and Keith has an unexpected benefactor keeping him topped up with lumpy stuff.

For none other than former *Sunday Sport* columnist and England star Paul Gascoigne, who also lives in Bournemouth, has been taking care of him.

Former geography teacher Keith told *Sunday Sport*: "I've had Gazza down here feeding me bread through the wine bottle holes. He says he doesn't want to see me go without.

"Thing is, no matter how many times I tell him my name is Keith, he keeps insisting on calling me Wor Jezza. He actually thinks I'm Corbyn.

"I know we both look like we've been pulled through a hedge backwards,and neither of us has really achieved anything in life, and if it was anyone but Gazza I'd put him straight.

"As it is, he's my favourite footballer of all time, so I'll not have a bad word said about him."

Gazza, 53, has suffered from addiction and mental problems since retiring from the beautiful game, while Corbyn, 71, stepped down as Labour leader after his general election drubbing.

Cleese fires back at Beeb over Germans

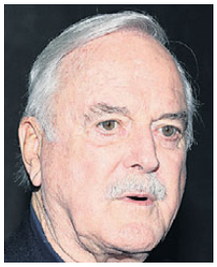
COMEDY legend John Cleese has hit out at the removal of an episode of classic 1970s sitcom *Fawlty Towers* from streaming service UKTV.

The famous "don't mention the war" episode was taken down as it contains "racial slurs".

UKTV, which is owned by BBC Studios, said it had temporarily made *The Germans* unavailable while it carries out a review.

The former *Monty Python* star, 80, said: "If you put nonsense words into the mouth of someone you want to make fun of, you're not broadcasting their views – you're making fun of them.

"The major was an old fossil left over from decades before – we weren't supporting his views, we were making fun of them.



"If people are too stupid to see that, what can one say?

"A lot of the people in charge now at the BBC just want to hang on to their jobs. If a few people get excited they pacify them, rather than standing their ground, as they would have done 30 or 40 years ago."

Twilight Anna's 'hostage' horror

ANNA Kendrick says filming the first *Twilight* movie was like being taken hostage – because her TRAINERS got wet!

The actress – who played high school girl Jessica Stanley in the five-part vampire franchise – likened the shoot to surviving a "hostage situation."

Anna, 34, said: "I just remember being so cold and miserable, and I remember my Converse being completely soaked through, and feeling like, 'You know, this is a really great group of people, and I'm sure that we would be friends in a different time, but I want to murder everyone'.

"Although it was also kind of bonding. There was something about it, that was like, you go through some trauma event.

"Like, you imagine people who survive a hostage situation, and you're kind of bonded for life."

The first *Twilight* movie starred Kristen Stewart as high school student Bella Swan and Robert Pattinson as her immortal lover Edward Cullen.

The 2008 film grossed £320m at the box office.

Vanessa's sex takes just three and a half minutes

VANESSA Feltz has revealed that sex takes just "three and a half minutes".

The TV personality spilled the intimate details of her love life with fiancé Ben Ofoedu after Boris Johnson announced one-person households were allowed to form "support bubbles".

During a viewer phone-in someone asked her if it was "selfish" of them to see their lover under the guidelines instead of seeing their grandkids.

Vanessa, 58, said: "I love sex, I love Ben, I adore it, it's fabulous, I've always been a big fan. But the grandchildren or sex? I'd go for the grandchildren.

"Lots of people would say, moving in with your lover sounds absolutely heavenly.

"In real life, once you've had the sex, it normally takes a maximum of what, how long? Three-and-a-half minutes… Then there's an awful lot of time with your lover that you could be spending making pasta collages with your grandkids."

'Trek creator hated me for Picard part'

PATRICK Stewart has recalled how he almost missed out on the part of Jean-Luc Picard after *Star Trek* creator Gene Roddenberry took a dislike to him.

The veteran actor (*above*), 79, played the character on TV and in films from 1987 to 2002, returning to the franchise this year for the Amazon Prime Video series *Picard*.

He said writer and producer Roddenberry had made it "perfectly clear" he was not wanted for the part after a brief interview.

He said: "My meeting lasted about six minutes and it was perfectly clear I was not wanted.

"Gene said, 'What the hell? I don't want a bald, middle-aged Englishman.'

"He used to come on set once a week – maybe twice, depending on who the cast were – and I'd catch him looking at me with an expression on his face which said, "What the f**k is this guy doing in my show?"

"It was clear he couldn't understand why I was there."

Glory holes bid to beat COVID

HEALTH officials have recommended people have sex with each other through GLORY HOLES in the fight to stop the spread of coronavirus.

A safe sex guide for those living in New York – America's Covid-19 epicentre – encourages lovers to take all possible precautions during sexual encounters.

Among the guidelines was a suggestion to "make it a little kinky. Be creative with sexual positions and physical barriers, like walls that allow sexual contact while preventing close face to face contact."

The guide goes on to recommend couples "masturbate together" and use "physical distance" while doing so.

Glory holes are holes drilled in walls through which a man pops his penis to be satisfied by a partner on the other side.

Lane's 'links to slavery problematic' say activists

KILL HIM OFF!... Meadow launched 'drenched in blood' rant

ARSE TALK!... Henderson says name is 'nowt to do with slavery'

By SIMON DEAN simon@sundaysport.co.uk

FIRST they came for the statues... now they're after our Spunkbubbles!

Rights campaigners say Spunkbubble Lane on the outskirts of Huddersfield in West Yorkshire is named after 18th century businessman Sebastian Spunkbubble, who has "problematic" links to the slave trade.

Politically-correct serial irritant Meadow Sugarsweet tromboned: "My research has found that Sebastian Spunkbubble's wife's cousin once lent a gold sovereign to a man who sold a hat to a labourer who worked in a boatyard that built a ship which might have been used to transport slaves.

"This man Sebastian Spunkbubble is literally drenched in blood and this street's name needs to be erased from history.

"It should be renamed Liberty of the BAME LGBTQQI Community Lane – and the name Spunkbubble never mentioned again."

But outraged local resident Henderson Mathers pooh-poohs Sugarsweet's research.

Mob

Henderson, who has previously fought off an attempt by developers to rename the street, spat: "This lass is talking out of the back of her arse.

"Spunkbubble is a corruption of the Anglo-Saxon for 'bubbling stream' – it's nowt to do with slavery."

The historical Sebastian Spunkbubble is famous for giving away all his money to the poor and for being killed by the mob when he gave an impassioned anti-slavery speech in Lambeth.

A source at the Mayor of London's office said: "In view of Meadow's research into Spunkbubble's clear links to the slave trade, we will push to have any mention of his name declared a hate crime."

The latest row comes after hotheads chucked a statue of 17th century slave trader Edward Colston into Bristol Docks.

THE VOICE OF YOUR BRITAIN

BBC seems to take the wrong side

WHAT did YOU do in the Culture Wars, grandad?

That is a question that many of us will surely be asked, some years down the line.

Our society, already ravaged by a killer plague from the Orient and unsteadied by the online subversion sponsored by sinister Muscovy, has erupted in recent days.

Statues of our distinguished forebears have been ripped from their plinths by howling mobs.

One of our finest children's authors has been attacked for not genuflecting to the new gods of "diversity".

Even the founder of the Boy Scouts is traduced as a Nazi and a thought criminal.

And whose side has the BBC taken in this increasingly-bitter conflict?

The wrong side, we fear.

For weeks, green-fingered Clive Bassett has been trying to share his hints for fertilising tomatoes with human waste with viewers of Gardeners' World.

But producers have SNUBBED him.

Why?

Clive suspects it is because he is white, male and heterosexual – in short, anathema to "social justice warriors".

We are sure the BBC is trying to be neutral in this bewildering conflict but it seems the ingrained left-liberal ethos of our national broadcaster informs their every decision.

We fear that once the dust has settled, the BBC may find itself on the wrong side of history.

Have we begun to see the end?

THE lockdown effectively ends tomorrow as the shops reopen.

Soon the pubs and the barbers will be opening their doors, too.

Is it too early to hope that maybe, just maybe, the corner has been turned in our battle with this horrible plague?

SALISBURY POISONINGS BABES BARED

Stars of new BBC drama without their bras

Cast of *The Salisbury Poisonings*

By JAYNE FERGUSON
news@sundaysport.co.uk

MARCH 4, 2018... a date that will live in infamy.

Shadowy forces of Vladimir Putin's murderous Russian empire launched a chemical weapons attack on the UK.

But when emergency services descended on Salisbury's city centre to find Sergei and Yulia Skripal unconscious on a park bench, they had no idea they had stumbled on an act of WAR.

Tracy Daszkiewicz, Director of Public Health for Wiltshire Council, went into an emergency meeting that revealed that it was an attempted assassination with an unidentified poison.

The Skripals survived – but local woman Dawn Sturgess was killed by the toxin.

Now the incredible story has been turned into a BBC1 drama – *The Salisbury Poisonings*, starting at 9pm tonight – starring Anne-Marie Duff as Tracy Daszkiewicz and MyAnna Buring as Dawn Sturgess.

Happily, to lighten the tone of a very troubling story, we have Anne-Marie and MyAnna topless.

And we have others stars from the drama topless too...

Boxing babe is cleared by spunk ruling

BOXER Virginia "Ginny" Fuchs has been cleared of any wrongdoing by the U.S. Anti-Doping Agency after she successfully argued that banned substances found their way into her system through her boyfriend's SPUNK!

Ginny (*above*), 32, proclaimed her innocence after testing positive for two banned substances in an out-of-competition test back in February.

She later found out her boyfriend had ingested the substances, which were contained in products he bought, before the pair engaged in unprotected sex.

The Agency said the trace amounts found in Ginny's system were consistent with sexual transmission, and after an investigation was confident the American did not cheat.

The decision means she is still eligible to qualify for next year's Olympics in Tokyo, which were postponed due to the pandemic.

ISIS killers get masks warning

EXECUTIONERS working for ISIS have been told to wear facemasks while beheading hostages – because of HEALTH AND SAFETY!

The scimitar-wielding thugs – who have been driven into small pockets of Syria from their former strongholds – are still at their murderous antics.

But now ISIS bosses have issued guidance in the form of an email fatwa warning of "particulate aerosol contamination" during beheadings.

The email reads: "In these challenging and unprecedented times it is important to ensure that you and your colleagues work safely at all times.

"While two-metre distancing may be impractical during some operations (beheadings, etc) we urge all colleagues to wear facemasks and to wash their hands regularly."

In March ISIS banned operatives from Europe over coronavirus fears.

FACE OF SHAMED PRINCE FOUND IN GRAN'S *MINCE*

MINCE MEET: Doreen was far from happy to find Andrew in her dinner

HUGE FAN: Troubled prince enjoys portions of Cottage Pie

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS

PRINCE Andrew.

He may have stepped down from Royal duties after the debacle of his *Newsnight* interview but there's no getting away from him these days.

And the randy Duke of York has now appeared in gran Doreen's Foster's COTTAGE PIE!

Doreen, 56, of Salford Greater Manchester, was enjoying her home-made treat when the face of the Queen's wayward second son loomed out of the mince and gravy!

The gran-of-seven said: "I'd always had a soft spot for Prince Andrew, what with him having been in the Falklands and everything.

"But all this business about him being a pal of that nonce in America, it put me off him.

"And I certainly don't like him looking out of my cottage pie, no bleeding well thank you!"

Pervert

The real-life Prince who is, coincidentally a HUGE fan of cottage pie, has been embroiled in a war of words with U.S. prosecutors who are investigating the antics of dead nonce financier Jeffrey Epstein.

Andrew was a big pal of the pervert and Yank authorities want to find out what the Prince knew.

U.S. attorney Geoffrey Berman said last week that Andrew "has repeatedly declined our request" to schedule an interview.

The Duke's lawyers had previously rejected claims he had not co-operated, saying he offered to help three times.

Prince Andrew stepped away from royal duties last year after an interview he gave to the BBC's *Panorama* about his relationship with Epstein.

Epstein took his own life in a U.S. jail cell in August, aged 66, while awaiting trial on sex trafficking and conspiracy charges.

Government ad tells youth 'don't rely on pornography'

THE government in New Zealand has been praised for a cheeky new commercial which urges young people not to rely on just PORN for sex education.

Released as part of the country's 'Keep It Real Online' education tool, the promo features two naked porn stars.

It begins with the pair ringing a woman's doorbell and introducing themselves to the mum in her bathrobe and carrying a cup of tea.

"We're here because your son just looked us up online... you know, to watch us," they tell a surprised Sandra.

And the pair tell her that her son "may not know how relationships really work".

Sandra beckons her son to come to the door, and he soon appears, absolutely stunned at their porn star visitors.

"It sounds like it's time to have a talk about the difference between what you see online and real-life relationships. No judgement," Sandra says to her lad.

The candid chat has been praised as a "brilliant initiative" online, gaining many thousands of views and comments on Facebook.

New Zealand last week announced they have managed to keep a lid on coronavirus.

I'll wipe my hairy bottom with your Harry Potter books, Rowling

I'M LIVID: Jemima has vowed to wipe his arse with the books

TRANS ACTIVIST IS FURIOUS OVER AUTHOR'S COMMENTS

By BARNEY SAMUELS
news@sundaysport.co.uk

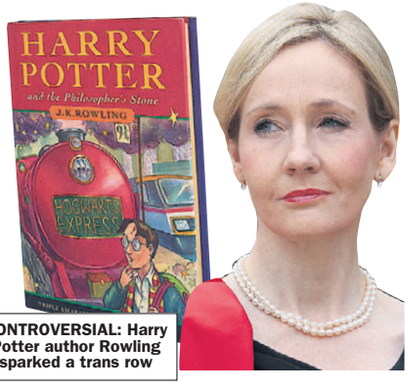
IT may be that Harry Potter author J.K. Rowling suspected her words would cause a bit of a rumpus...

Even so, the hugely imaginative writer must have been surprised by the reaction to her suggestion that men do not have periods.

In a saner age, her words would have been wholly uncontroversial, merely a statement of bald fact.

But in the strange, looking-glass world of 21st century identity grandstanding, Rowling's assertion whipped up a storm. Even Daniel Radcliffe, the actor who played her creation in the films, waded in.

WADED IN: Daniel Radcliffe as Harry



CONTROVERSIAL: Harry Potter author Rowling sparked a trans row

One of those stamping their feet in fury is 56-year-old Jemima Grimsditch.

Jemima, who was formerly known as married lorry driver Jim, now identifies herself as a woman – despite still being in possession of a beard and a fully-functioning set of wedding tackle in his pretty panties.

Oppression

She piped: "How dare J.K. Rowling suggest that women menstruate and ovulate?

"I am as much a woman as she is and the only reason I do not ovulate is because of years of rabid fascistic oppression by the cis-majority and the ongoing trans-genocide by trans-exclusionary radical feminists!"

Jemima, of Bristol, added: "I was a huge fan of the Harry Potter books and have some very fine first editions worth many thousands of pounds.

"I shall wipe my arse with the torn out pages of these books in a protest against Rowling's fascism. And yes, my arse is hairy – as I am a woman!"

Armed posse drive camping trip family out of their town

A FAMILY of four on a camping trip were followed by an armed posse of local residents and accused of being ANTIFA protesters.

The mixed-race family – consisting of a hubby and wife, a 16-year-old daughter, and the man's mum – were travelling in a school bus on their trip in Clallam County in Washington state when they stopped at a local camping store to pick up supplies.

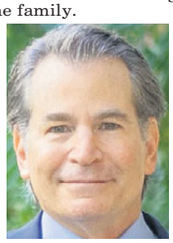
In the car park, they were confronted by "seven or eight car loads of people" who accused them of being protesters and tried to stop them leaving.

The family denied being affiliated with left-wing agitators ANTIFA, then drove around the people and off to a camping site.

Four cars followed them, including two that had passengers armed with rifles.

The family got to the nearby campsite and pitched a tent but heard gunshots and decided to leave but found the road now blocked, and had to call for a police escort.

Authorities are now conducting a criminal investigation to find out who was menacing the family.



Agent sacked over riot move

AN estate agent has been fired for trying to lure home buyers away from New York using a photo of an NYPD van in flames during the recent George Floyd protests.

"Looking for Change?" South Florida agent Joseph Swedroe (*above*) asked punters in his emails – contrasting the engulfed cop car with pics of boats and beaches in the Sunshine State.

He asked potential buyers if they wanted to live in "chaos or comfort," alluding to violent clashes and looting that rocked New York recently.

Swedroe – a licensed estate agent since 2010 – insisted there was "nothing offensive" in his messages, adding: "It was just a marketing piece to get attention."

However, he was "swiftly disassociated" from bosses at estate agent Corcoran Group.

STIFF AS A HALF-BOARD

JUNKIE Jason Rivera, 29, who is charged with indecency, told cops: "I got a boner that won't go away," when they saw him wanking outside a hotel in New Jersey.

BRITAIN'S SOCIAL MEDIA SENSATION!

BIG FAN: *Sport* model Cara Brett (*right*) can't get enough of our social media feeds

SOCIAL media, eh?

By SUZIE SHELDON
news@sundaysport.co.uk

Like coronavirus or the damnable phrase "train station", it seems to be – like it or loathe it – here to stay.

But social media is not all teenagers encouraging each other to self-harm, self-righteous lefties signalling their virtue or middle-aged pervy men pretending to be little girls.

It can be FUN, too.

From a standing start, your *Sunday Sport* is now a MASSIVE presence on social media and our stories spread round the world thanks to this modern miracle.

Last week motormouth Piers Morgan – the Marmite of breakfast TV – shared one of our tales on both his Twitter and Instagram feeds.

The 55-year-old presenter's eye was caught by the tale of Queenie Parsons, who decided to have her dog Scamp PUT DOWN because he was a huge fan of Piers.

Piers's 7.5 MILLION followers lapped up the shocking tale which the star described as "a little extreme".

Getting your fix of *Sunday Sport* via social media has never been easier.

We're on Twitter and Facebook.

And now we've joined millions of "influencers" on Instagram!

Social media may have turned us into a nation of judgemental bullies prone to mass hysterical outbursts, with dead eyes glued to smartphones.

But at least *Sunday Sport* is in the fight and making social media FUN again!

LIZ HURLEY RINGPIECE SHOCKER

Girl, 21, shot dead in row over dog dirt

A WOMAN was fatally shot and her boyfriend wounded by a gunman who took issue with how the dog-loving couple told their pooch to PLOP.

Victims Isabella Thallas, 21 (*above*), and Darian Simon were walking their pet when 36-year-old Michael Close rowed with them from inside his flat.

A police report states: "The suspect got into a verbal altercation with the victims, related to the couple telling the dog to poop."

Close asked the couple if they were "going to train their pooch or just yell at it", the police record says.

Simon told police he tried to ignore Close before shots rang out – striking him twice and killing Isabella.

Police caught Close later as he was driving in Denver, Colorado. A rifle and a handgun were found inside his car.

A GoFundMe page set up to help cover Isabella's funeral costs has raised more than £30,000.

STEPHEN FRY'S QI FACT

IN 2015, the Queen received a gift of £5,000 worth of horse semen.

Bestial pair case is first

A COUPLE have become the first to be prosecuted under new "don't shag animals" laws.

Nolene Renee Horn, 44, and Christopher S. Jones, 50, of Mason County, each face two counts of sexual crimes against an animal.

And each count is punishable by up to five years in prison.

The pair are the first people to be prosecuted since the US state of Kentucky outlawed animal sex in 2019.

Kentucky Attorney General Daniel Cameron said: "This type of heinous and obscene crime cannot go unpunished.

"I am grateful for the Maysville police department's diligent investigation of this case, and our Office of Special Prosecutions is pleased to assist Mason County by prosecuting the case on behalf of the commonwealth."

Amanda nips out...AGAIN!

ONE day she's going to have someone's eye out with them...

Amanda Holden was up to her stiff nips tricks once again as she left the Heart FM studios in central London after presenting her breakfast show.

The TV and radio presenter, 49, caught the eye as she went braless in a clingy pink maxi dress from Zara, but fell victim to the elements in the skin-tight number.

The cool weather left her teat-ends like chapel hat-pegs.

One onlooker said: "I could suckle on them all day and OINK, OINK, OINK like a little piggy piglet....UMMMMM!"

DIRTY BATHTUBS: Liz's b'day post had rude fans in lather

I only came here for a glimpse of her rusty sheriffs badge

ACTRESS Liz Hurley has posed NAKED in a bubble bath to mark her 55th birthday.

But one scoundrel used it as an excuse to discuss the star's tightly-puckered BUMHOLE!

In the picture (*above*), Liz is relaxing in the tub and has both arms up in the air in celebration, with carefully-placed bubbles to protect her modesty.

The Hollywood legend captioned the Instagram post: "Happy Birthday to me. This is the fifth birthday we've celebrated during lockdown among my little group – including my mother's 80th and my son's 18th."

While Liz's online followers were quick to wish her a happy birthday in the comments, one user on the website of a tawdry London-based newspaper RUINED everything by bringing Liz's doubtless pristine back bottom into the discussion.

By SIMON DEAN
simon@sundaysport.co.uk

Rob Young slavered: "I only came here for a look at her rusty sheriff's badge."

Starfish

'Rusty sheriff's badge' is a crude euphemism for anus – along with 'balloon knot', 'hoop', 'browneye', 'gary glitter', 'chocolate starfish', 'leather cheerio', 'dirty onion ring', 'taint', 'back door' and 'shitpipe'.

A pal of the birthday girl said: "This is supposed to be Liz's special day.

"She hardly wants all of Britain to be fixated on her rear crinkle."

Frisbee chase man pulled from river

A MAN is clinging to life after nearly chasing a frisbee – into a RIVER!

The 20-year-old had jumped into the Hudson River near a pier at West 10th Street in Lower Manhattan, New York.

He entered the river to chase down a frisbee he had been tossing around with pals after it had fallen into the water.

Three others at the scene jumped in to try and rescue the man, but they were unsuccessful.

The NYPD's Harbour Unit responded, quickly lifting the three others to safety, police said.

But it took cops more than an hour to find the man, who was eventually pulled out of the water and rushed to Lenox Hill Hospital where he is in a critical condition.

An NYPD source said: "It's not like we're busy at the moment, is it?!"

Cops hunt perv after nude tug in ladies

A NAKED man was wanking himself off when he tried to crawl into a woman's cubicle in a public toilet.

The woman, 49, was dining at a restaurant on Main Beach, on Australia's Gold Coast, when she used the communal loo.

She was in the centre stall when she heard shuffling noises and someone come in on her righthand side.

The 49-year-old said: "The shuffling kept going and I leaned forward and all I could see was a pair of naked, hairy, man's legs facing my way."

The victim texted her husband for help after the man began to move towards her, adding: "As I did that the man kept coming under and into my stall. He was masturbating, and he just kept coming more and more in."

She banged on the wall and shouted at the man to get out as another woman entered the other cubicle.

The two women then waited for the man to slowly crawl out of the cubicle and leave the toilet block before her husband arrived.

Police are now investigating.

Gay porn star runs for office

A PORN star is switching careers and running for a local office.

Juan Melecio (*above*), who is openly gay, filed paperwork for a shot at a local council seat in Wilton Manors, Florida, in the upcoming November election.

"I'm from Puerto Rico and I'm a very passionate person," Melecio said.

"When something is right, I just go for it."

Melecio, whose stage name is Antonio Biaggi, has appeared in a number of porn shoots, including *Trouser Trout* and *Work Loads 2*.

The 41-year-old had also owned a spa and barbershop before selling the businesses in 2019.

Wilton Manors, which is in South Florida, is known as the "Second Gayest City" in America, according to the city's website, as a result of its high LGBT population.

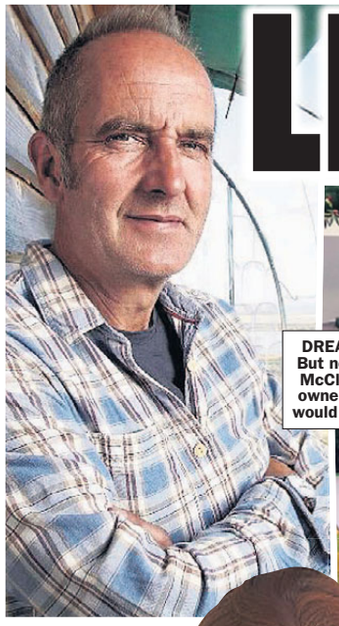
LESBIAN PORN GRAND HOUSE

(Let's be honest, it's not the first time there's been tw*ts on the show...)



DREAM HOUSE: But neither Kevin McCloud nor the owner knew porn would be shot in it

CRYSTAL CLEAR: Porn star Alexis put in a horny shift at the hot house

GREAT VIEWS: The girls line up ready for action

By SIMON DEAN
news@sundaysport.co.uk

ANYONE who has watched Channel Four's *Grand Designs* knows the show contains more than its fair share of CTS.**

But this is ridiculous...

A dream home created by a cleaning boss and shown on Kevin McCloud's "annoying rich twats build big f**k-off houses" show has been used as the set for a drippy-minged LESBIAN porn film.

The five-bed property was built by businessman Clinton Dall, 56, who invited presenter McCloud in to keep tabs on its progress.

The £3.5million home set in five acres was built to dad-of-four Mr Dall's own specifications with a gym, 50ft pool, five bathrooms, underfloor heating and a sauna.

It has been let to a film company for a Peter Andre music video and the Ryan Reynolds BT ads.

Fingering

But it was also used as the set for the French-made movie *Lesbian Games for These Three Stewardesses*. In it, three air stewardesses – played by grot superstars Mariska, Misha Cross and Alexis Crystal – cavort on the large table where Kevin and Mr Dall discussed the process of building the home.

The bikini-clad porn actresses also sip cocktails by the pool before LICKING and FINGERING each other's glistening slits.

The girls then get the toys out and probe both front and back holes with the throbbing rubber cocks in opulent surroundings.

Mr Dall knocked down a farmhouse-style home that once stood on the site to bring his dream build to life in 2015.

During filming, the self-made millionaire told presenter Kevin: "I am a neat and tidy person. Everything has to be just right."

The property, in Colgate, West Sussex, is named Pavello. It sold for £3,450,000 last year.

It is understood the porn film was shot before the sale and of course neither owner had any involvement.

A friend of Mr Dall said: "The house was never intentionally let for a porn shoot although it was often let to film companies for commercials and suchlike."

Sunflower seeds kill woman in silo plunge

A WOMAN drowned in a giant vat of SUNFLOWER SEEDS when she lost her footing and was sucked inside the grain bin.

The unidentified 56-year-old met her fate in the ghastly accident while she had been helping two trucks unload seeds.

She was wearing a harness, but it was not attached at the time she plunged inside the massive silo.

Other workers cut holes in the side of the structure in a desperate attempt to free her. Firefighters and other emergency services drilled more holes to try and reach her.

She was eventually removed and received CPR, but was soon pronounced dead at the scene at the Glinz Farm in Pingree, North Dakota.

A police source said: "It's a horrific way to go, she literally drowned in sunflower seeds. She had ingested a huge amount of them by the time we got her out.

"But, to look on the bright side, if her family leave her body in the garden, the birds will have a smashing time pecking at her."

HOSE ROUND IS IT?

GARDENER Leo Karasek, 55, admitted he was "very drunk" when cops caught him watering his lawn in Ross Township, Pennsylvania, NAKED – apart from his wellies.

£3.5K-a-pop sex 'n' drugs party all set to go ahead

A SCANDALOUS four-day Sex Island party returns next weekend – despite the coronavirus.

The debauched £3,500 holiday promises guests "unlimited sex" with escorts as well as all the booze and marijuana they want.

This year will be the second year it has taken place in Nevada, after the event was moved from the Caribbean.

Organisers the Good Girl Company insist it's completely legal, though the U.S. still has lockdown rules.

Taking place between June 19 and June 21, those attending must fly to Las Vegas, where they will be taken by helicopter to a private resort in the desert.

A statement on the firm's website claims: "Enjoy the company of 100 beautiful girls, in an alcohol and marijuana friendly environment.

"The girls' mission is to please you and make you feel like a king. If you have any specific fantasies, let us or the girls know, and we'll turn them into reality."

Golden hoard finally found

A HIDDEN treasure chest holding gold nuggets and precious gems has been found 10 years after it was hidden by millionaire art dealer Forrest Fenn.

The only clues as to where the hoard was hidden in the Rocky Mountains were a map and a poem.

But after countless quests the search is now over, confirmed by Fenn, who wrote in a statement: "The treasure has been found. It was under a canopy of stars in the lush, forested vegetation of the Rocky Mountains and had not moved from the spot where I hid it more than 10 years ago.

"I don't know the person who found it, but the poem led him to the precise spot."

History boffin 'who sliced up lover' on trial

THE trial of a decorated Russian historian accused of murdering and dismembering his young lover has begun.

Oleg Sokolov, 63, a history lecturer who received France's Legion d'Honneur from Jacques Chirac in 2003, was arrested last year on suspicion of murder.

He had been hauled out of the freezing Moika River in St Petersburg "drunk and with a backpack containing a woman's arms", a court heard.

He confessed in November to murdering and dismembering his ex-student lover Anastasia Yeshchenko, 24, and was placed in pre-trial detention.

He appeared in a St Petersburg court last week behind a glass cage, wearing a face mask and blue surgical gloves.

His lawyer said ahead of the hearing that Sokolov was in good physical condition but added that his psychological state was "of course difficult".

Sokolov had earlier broken down, saying he was "devastated" by what happened.

He had lived with the victim for several years and initially tried to blame her for the murder, saying she attacked him with a knife during a heated argument.

Napoleonic Wars expert Sokolov taught at St Petersburg State University, President Vladimir Putin's old college, and was close to the authorities.

Ghoulies growth under lockdown

GHOST sightings have risen during the lockdown.

Since March, when people were told to isolate at home, many claim to have discovered their houses are haunted.

Dr Kelley Best-Biagioli, a chiropractor in Wyoming, Pennsylvania, is just one of the spooked.

She said she had been experiencing unexplained phenomena for years but without patients and employees coming and going, the weirdness became more pronounced.

She said: "Doors would close, doors would open.

"I was here by myself an awful lot, so you could just always feel that there was something around."

Ghost hunter Alissa Caridi said: "Most of the time, the phone calls I get are 'You're going to think I'm crazy'."

"People being home are being more aware of their surroundings."

I put ONE midget gem down my chap's eye at uni and Boris bans me from the Tories

REFUND: Tony

A MAN who claims he was axed from the Tory Party for a "minor youthful indiscretion" has accused the Tories of double standards.

By SIMON DEAN
simon@sundaysport.co.uk

Tony Jones signed up to Boris Johnson's party last year after 20 years as a loyal member of the Labour party.

Tony, of Chesterfield, Derbys, said: "I was just sick and tired of the way Labour was going under Corbyn so switched sides – much to the annoyance of most of my family and many friends."

But now the 48-year-old has been disowned by his new pals after a 20-year-old video emerged, showing him inserting a MIDGET GEM into the end of his penis.

Tony said: "It was when I was at uni and I was drunk. I don't even remember anyone filming it. I don't think camera phones were a thing back then so someone must have had a video camera.

LEADER: Johnson

Angry

"I've absolutely no idea how the Conservative Party came to know of it because it only circulated among my friends on WhatsApp. It seems someone who was angry at my defection sent it to the Tory Party HQ."

Reaction was pretty swift and Tony said received a letter through the post, revoking his membership, and a cheque refunding his subscription.

He said: "They told me that my actions were inconsistent with membership of the party. I only put a midget gem down my Jap's eye, sorry… chap's eye."

Tony added it's a case of "one rule for the toffs and another for ordinary working men."

He said: "Back in April, I read in *Sunday Sport* about Boris talking about playing the soggy biscuit game at Eton.

"Surely eating teen boys' spunk off a ruddy digestive biscuit is far worse than putting a sweetie down your piss hole? Isn't it?

"I'm so disappointed and disillusioned."

Last night a source at Tory Party HQ said: "The membership was not cancelled because of the midget gem-penis interface.

"Our investigation found that Mr Jones perpetrated this act outside an orphanage during a visit by the mayor. And apparently, he was wearing a Klan hood with pornographic photographs stapled all over it, too.

"There's no place for that behaviour in the Conservative Party – not these days, anyway."

Judge wanabe due in court over egging

A WOULD-BE judge is facing charges for EGGING a real judge's car in retribution over a COVID-19 lockdown order.

Lawyer Eric Yollick, who is running for office as a judge, has pleaded not guilty to a charge of criminal mischief over the incident that occurred as Judge Mark Keough left his office.

Yollick (*above*), 57, said: "I threw one egg at Judge Keough's car. I did this for the right reasons. He needed to get this message because he wasn't listening to people."

Yollick said he acted because of Keough's "unconstitutional" stay-at-home order for Montgomery County, Texas, in late March.

He added: "I wasn't angry or anything. It was a humorous gesture between friends: 'You laid an egg on us, so here's an egg for you'."

Yollick is due in court in October.

5-PAGE SPECIAL

The RAUNCHIEST celeb and amateur pictures

BARRING a second wave of contagion sending us back indoors, it seems UK lockdown is slowly drawing to a close.

We've been confined to quarters since the end of March, thanks to the dreaded plague.

And while we have been cowering, the world has gone bonkers and the economy's turned to shit.

Tomorrow, the shops open their doors again and we at last can buy shoes, toasters, gravy boats and curtains.

Then we'll be able to get haircuts and sink a PINT!

By SUZIE SHELDON

But lockdown has not been ALL bad.

Nature has reclaimed the empty spaces, the air has cleared and millions of ladies – celebs and amateurs alike – have spent idle hours posting nudie snaps on the internet!

Today we pay tribute to them with a five-page photo special.

So sit back and enjoy, folks...

CARA BRETT, 28, 32DD, from Hampstead, London

UNABLE to go out to bars and clubs to meet fellas, curvy Cara took her own loving in hand…

She said: "I get sent loads of vibrators and other sex toys by shops and manufacturers – as freebies – and I never previously had time to try them all out.

"But with lockdown and no modelling assignments to go on, what was a girl supposed to do?

"I got out all my dildos – there were 26 in total! And I can now honestly say I've tried them ALL.

"They ranged in size – from tiny little 'bullet' ones to one that was a good foot long and really thick.

"Yes, they all went in – not at the same time, of course!

"Although I had so many nice orgasms from them, they're not the same as a real cock.

SHOWOFF Dani found a great way to get off and indulge her exhibitionist side.

She said: "I have a balcony at my apartment and it's a lovely place to stand in the early morning, having a cuppa and watching the world wake up.

"One morning, early on in lockdown, this jogger came past and he happened to glance up at me.

"A big grim came over his face and he gave me a wave. I thought he was being friendly and waved back – it was only then that I noticed my dressing gown had come open!

"My balcony has glass walls so he had a perfect view of my shaved pussy. And it turned me on to think of his cock stiffening in his tiny running shorts.

"The next day I did it again, only this time it was deliberate, and when I saw the jogger again I started fingering my slit.

"On the third day, I gave him another show and the dirty bugger ran behind a bush and had a wank while I fingered my c**t on the balcony.

"It was such a turn on to see his thick globs of spunk spurt out."

BLM protesters get 'no drama llama' boost

A PHOTO has emerged of a THERAPY LLAMA attending a Black Lives Matter protest!

Caesar, dubbed the "no drama llama", joined demonstrators and has been hailed as a "morale booster" by supporters in Portland, Oregon.

He comes from the Mystic Llama Farm in Jefferson, Oregon, and is owned by Larry McCool, who regularly takes therapy animals with him to schools and clinics.

Caitlin Reasor, who spotted Caesar at the peaceful protest, said: "Everybody seemed really happy to have him there – even those who were confused by his presence… he was definitely a good morale booster!

"I was only there for about two hours but it was a very peaceful and positive protest.

"Those leading it talked on the impact of police brutality and brought up many hundreds of the names of people who fall victim to it every day of their lives."

BRAND 'LICKS OUT ROSS GIRL' FURY

FAMILY: Dad with daughter Honey

By BARNEY SAMUELS
news@sundaysport.co.uk

A SICK troll took to the internet to ask whether top swordsman Russell Brand has LICKED OUT celebrity pal Jonathan Ross's daughter!

The sorry saga began when *Harry Potter* author JK Rowling outrageously suggested an alternative word for "people who menstruate" is "women".

Jonathan Ross made the dreadful error of putting his head above the parapet and defending Rowling's words by tweeting: "@jk_rowling is both right and magnificent.

"For those accusing her of transphobia, please read what she wrote. She clearly is not."

Rift

Jonathan's words clearly caused something of a rift chez Ross as his "activist" daughter, Honey, came down heavily in the anti-Rowling camp.

Honey shared a cleverly Photoshopped book cover of *Harry Potter and the Order of the Phoenix*, where the title had been changed to *Harry Potter and the Audacity of This B***h*.

SWORDSMAN: Russell (*above*) and (*left*) with showbiz mate Wossy

Honey, 23, then shared a tweet by a Twitter user which slammed the millionaire author and accused her of "hating trans people".

But when the spat was reported in the press, it spawned an OUTRAGEOUS suggestion from internet user Fitzcrackerz, who speculated: "More to the point, has Russell Brand tasted the honey?"

That's a none-too-subtle question asking whether Jonathan Ross's libidinous pal Brand has actually LICKED OUT Honey.

But Ross is hardly in a position to be upset at people making unwarranted sexual innuendoes about family members.

In 2008 he and Brand called Andrew Sachs – Manuel of race-shame comedy *Fawlty Towers* – and taunted the actor about Brand's sexual liaison with his grandaughter.

Mr Sachs – whose German family fled the Nazis when he was a child – died just eight years after the incident.

DEANO ON SUNDAY

There's always mayhem when youth runs riot

HEAR that noise? It's the sound of a million chickens coming home to roost…

For years now, children have been told they are special, important, the future.

I blame Whitney Houston, myself.

Newspapers, the TV, advertisers, voluntary organisations – they have all been led by calls of "How do we attract more young people?"

Never mind that it has been older people who've been doing the reading, watching, buying and volunteering.

No, f**k the old timers – "we must attract more young people".

Honestly, it sounds like the chairman's speech at the National Society of Noncery AGM and Dinner Dance.

And where has it got us? Where has all this "tell the young people they are super-special and their opinions count"?

A statue lobbed into Bristol docks and yobs twatting police horses with bicycles outside Downing Street.

That's where it's got us.

Those of us with a few years under our belts look back at the 17, 18, 19-year-old versions of ourselves.

What do we see? If you're anything like me, you cringe and think: "What a f**king TWAT I was back then."

Because we were. When you're in your late teens and early 20s, you know it all and you're not afraid to tell all and sundry that you know it all.

Age, experience, mistakes and disappointments knock the most twattish corners off most people.

The older you get, the more corners are knocked off.

Wisdom

That's why decent societies treasure and defer to older people – and listen to their wisdom.

And it's why a sane society keeps youngsters, with their boundless energy and infinite capacity for twattery firmly in their boxes.

A society that lets youngsters loose in the public forum is heaping up its own funeral pyre.

You eventually get China's Red Guard or Cambodia's Year Zero.

We're not there yet but we're on our way when yobs can riot in Whitehall, firmly believing their own self-righteousness justifies their savagery.

And this savagery is fed by the cancer of social media where these young barbarians can echo and amplify each other's mania.

From the child soldiers of central Africa to *The Lord of the Flies*, we've had plenty of dire warnings about the perils of youth run riot.

We didn't heed the warnings.

We just gave them BBC f**king Three.

CONMAN'S £50 'ETHICAL SEX TOYS' WERE JUST COURGETTES!

DON'T YOU BLAME ME: Gary denies doing wrong and *(inset below)* Petra

WHEN Petra Numan spent £50 on an organic ethically sourced sex toy, she thought she was helping make the world a better place while getting her rocks off at the same time.

By BARNEY SAMUELS
news@sundaysport.co.uk

She had spent many weeks researching which brands had organic ingredients, did not involve any slave labour and had no single use plastic.

Eventually she settled on Neil's All-Natural Naughty Goods, which were being sold online, and splashed out on a 'Vegetable Delight'.

It was advertised on the site as: "Guaranteed to satisfy your needs, whilst being friendly to the planet. This pleasure-giver is crafted from all-natural materials. It will even blend in with veggies, if you want to hide it in plain sight."

Horrified

But when the pricey sex toy arrived, Petra, 27, from Nuneaton, was horrified to discover it was just a courgette.

The single veterinary nurse said: "I am very ethically sound. I mean, I read *The Guardian*, so I know what's right and wrong.

"I've not used a plastic bag since 2015. I'm very committed to my beliefs so wanted to buy myself a sex toy that reflected them.

"I knew it looked like a courgette but the way it was described made me think it was carved from wood.

"With the money I was paying, I expected it to be a work of art – not something I could pick up for 50p in Tesco.

"The worst thing was it was useless after two sessions. It went all mushy and I had to throw it out.

"This is a con and the man deserves locking up. I was expecting a lifetime of guilt-free sexual pleasure."

Owner of the Neil's All-Natural Naughty Goods, committed vegan Gary Phillips, 56, denied wrongdoing.

He said: "I never did say they be anything but vegetables. It's up to her how much she pays for things to stick up her foo-foo."

Girl screw screwed teenage ex-convict

CHARGED: Torie Landmesser (*above*) had sex with teen she met at prison workplace (*below*)

By BRAD CHADWICK
news@sundaysport.co.uk

A FEMALE prison guard flirted with a teenage offender while he was behind bars – then had sex with him as soon as he was freed, police say.

Torie Landmesser, 26, was arrested over claims she hooked up with the convict – who is now aged 19 – after he was released on parole back in February.

Landmesser, from Waco in Texas, was busted after her lover was nicked last month on an outstanding warrant for a carjacking in Houston.

The unidentified teen's family then told police about the prison guard's alleged antics.

Landmesser's alleged victim is reported to have given police permission to access records of conversations they'd had, in which they "confessed their love for each other and their desire to get married".

Cops grilled the teen, only for him to deny anything had happened with Landmesser.

Illicit

But she is said to have admitted the illicit relationship when probed by police, and told investigators she'd visited the offender at his home in Houston to have sex shortly after he was released.

Landmesser has now been charged with violating the civil rights of a person in custody.

She has been fired from her job at the McLennan County State Juvenile Corrections Facility and is free on bail ahead of her next court hearing.

Streaker fingers shoppers

DRUGGED-UP Kyle Schuelke was arrested after he reportedly streaked between two grocery stores.

Schuelke, 24, darted out of a Walmart in Lincoln, Nebraska, and scampered fully naked to another shop while flipping the finger at astonished shoppers.

He was later booked for indecent exposure.

IS IT A BIRD? IS IT A PLANE? IS IT A MAN? NO, IT'S THE MOTHMA

By NEIL GOODWIN
news@sundaysport.co.uk

A DARK, powerful winged creature swoops down from the skies as it stalks a terrified passer-by and closes in for the kill.

No, it isn't a scene from a Batman film, it's just one of many encounters with flying humanoids experienced by terrified eyewitnesses all around the globe.

Are they maybe fallen angels, malevolent spirits, pterodactyl dinosaurs, or even UFOs?

Reports of these creatures are still coming in thick-and-fast… and they're horrifying!

Ask a child to draw a picture of a monster and he or she might come up with a beast similar to that seen in sleepy Point Pleasant, West Virginia, in the late 1960s.

The grey figure stood 7ft tall, had wings and in its low-slung head sat two giant eyes, glowing blood red.

And the Mothman wasn't friendly – it appeared to be stalking human prey and chased cars at speeds of up to 100mph.

The entity is also blamed by many for the deaths of 46 people, so it's no surprise the gargoyle is still feared, having inspired a 2002 movie, *The Mothman Prophecies*.

Events began to unfold on a cold November night in 1966, in a wood which once served as a storage facility for explosives and hazardous chemicals during World War II.

TRAGEDY: The Mothman was seen just before bridge collapsed, killing 46 people

Creepy

In a car making its way through the creepy landscape sat two young couples, Roger and Linda Scarberry and Steve and Mary Mallette.

Linda and Mary recoiled in horror as they spotted a huge figure standing in the shadows.

As this thing shuffled into view, it became apparent it had no arms – just two folded wings tucked up on its back.

And as driver Roger put pedal to metal, the harpy gave chase, taking flight like a demonic helicopter, before gliding just a couple of feet above them, making a sickening sound.

Eventually, to their relief, the Mothman disappeared, but the group raced to Mason Co Court to file a report with Deputy Sheriff Millard Halstead. The veteran cop was dubious, even though he knew those involved.

But when he went back to the scene of their encounter, he too saw weird dust clouds – as if something had taken off – and heard odd noises reverberating around the buildings.

The next morning Sheriff George Johnson held a press conference to warn locals.

Meanwhile, Linda, who died in 2011, was in hospital suffering from shock.

The newsflash had the residents of Point Pleasant on edge. Some trawled the streets looking to photograph the beast, while others sought refuge with friends.

One of the latter was Marcella Bennett and her three-year-old daughter, Tina. They, along with Marcella's younger brother Ray Wamsley, were driving to visit Ralph Thomas, cutting through the location where the Mothman was seen.

Upon realising the Thomases weren't in, Marcella, Tina and Ray walked back to their car.

Inhuman

But as Marcella reached for the door handle, she spotted something inhuman – there was Mothman, standing just a few feet away from her.

In a recent interview she recalled: "He was shaped like a male, with huge wings. The head was like a bird. It was like he was just relaxing. Like he

REAL LIFE X-FILES

AN

'He was shaped like a male, with huge wings...'

GROTESQUE: Sketches of the Mothman

was waiting for me to walk up. The neck was hanging on its side. It wasn't of this world."

Marcella collapsed on top of Tina, before the group barged their way into the Thomas's house and quickly barricaded the door.

They watched as the Mothman peered through the windows, but by the time police arrived at the scene it had disappeared.

The sightings continued – a week later Connie Jo Carpenter spotted the bird, adding: "Its tiny face was grotesque... like something out of a science fiction movie."

And another report from Faye DeWitt-Leport tells how a member of her group hurled rocks at Mothman before they fled when it hissed.

A year after the first encounter, the Silver Bridge spanning the Ohio River collapsed when a suspension chain gave way, sending 46 innocents to a watery grave.

Two bodies have never been found.

Photos seem to support rumours the Mothman was glimpsed on the bridge just moments before the structure gave way.

Extraterrestrial

So what is Mothman?

Dr Robert Smith from West Virginia University reckons most people were seeing a bird called a Sandhill Crane – an animal that stands 5ft tall and has a 7ft wingspan.

However, author John Keel has suggested an extraterrestrial origin while others argue the poor people of Point Pleasant were victims of a US military mind-control experiment.

Meanwhile critics also point to the toxic World War II storage bunkers, suggesting a grotesque mutation may have taken place.

In 1981, a survey by the McClintic Wildlife Management Area confirmed the local water supply was hazardous because of pollution.

And in 2010 the entire woodland area was sealed off after one of the bunkers exploded.

The spot is on the Environmental Protection Agency's National Priority List, and you'll need to force your way through a huge metal barrier to visit the area now.

BEHIND YOU: Is that the Mothman looking through the window?

THE UK'S MOTHMEN

Duckman

IN November 1963 a group of four teenagers told how they'd been stalked by a 'giant duck' on a dark country lane.

The being floated 10ft off the ground behind them, before landing in a wood and continuing to pursue them on foot.

Authorities returned the following day to find nine-inch depressions stamped into the ground.

Owlman

WITH reports dating back to 1976 – and as recently as 2011 – the being that haunts rural Cornwall has been dubbed 'Owlman' and even 'Death Raptor'.

Witnesses of the later sighting saw the Owlman standing on a branch in a large pine tree.

Believing it was just a local playing a prank by dressing up in a costume, they stood gawping and laughing – until the scary creature leaped into the air and flew away into the night...

The Slobber Witch

WELSH legend tells of the Gwrach-y-rhibyn – a corpse-like night hag known chillingly as the 'Slobber Witch'.

She has batlike wings and withered arms and takes delight in sneaking-up on unsuspecting victims and shrieking their name into their ears.

Those who have experienced this supernatural encounter do not last long – her appearance is a harbinger of their impending doom.

WATER SIGHT PHWOAR EY

POOL PARTY: *Sport* babes Brooke Bond, Jenna Jones Hannah Prentice and Holly Gibbons get wet 'n' wild

WHAT a splashing way to spend a Sunday afternoon!

Our lucky lensman pulled on his goggles and trunks, dug out his waterproof camera and joined Brooke Bond, Jenna Jones, Hannah Prentice and Holly Gibbons in *Sunday Sport*'s swimming pool.

Hannah, 26, from Harlow in Essex, who has 34DD boobs, laughed: "This is the best shoot I've done for months – such brilliant fun."

Holly, who has 32E charms, chuckled: "It was a great laugh but I'm not completely sure we weren't breaking lockdown laws.

"I hope nobody reports us!"

Now lads, any volunteers to help towel these lovelies down?

Don't forget to get that towel in all the damp nooks and fannies, er… crannies.

Emma's kinky home office secret

By WENDY THOMAS
news@sundaysport.co.uk

WITH millions of us all working from home, how many dream of having Emma Green in their makeshift office?

The 32DD stunna, from Camberley in Surrey, said: "A lot of my fans are messaging me on Twitter and Facebook to tell me they are working from home right now.

"And many have set up an office in the spare bedroom.

"Some have asked me if I could come round and be their secretary!

Kinky

"I can just imagine: 'Take something down, Miss Green!' Very Kinky!"

Emma added: "Of course, I can't go round to anyone's house right now, as that would be against the very clear Government rules on lockdown.

"Stay alert everyone!"

My perfect Sunday...

Rachel Aldana, 32, 30L, from Brackley, Northamptonshire

RACHEL: MY LIFE IN THE FAST LANE!

SUNDAY Sport SEXY BACK END!

By WENDY THOMAS
news@sundaysport.co.uk

BUSTY Rachel Aldana is a proper petrolhead and is SERIOUSLY missing her four-star fix.

The 30L sensation is from Brackley in Northants – a mere spitting distance from the famous Silverstone track which, like everything else in Britain, has been closed by the lockdown.

She said: "I love going to Silverstone and not just for the Grand Prix meets, either.

"I just love being around car people and my ideal Sunday is hanging around discussing engines and the like.

"Real petrolheads are among the few people who don't just talk to my boobs – once they realise that you are a fellow enthusiast, they forget about my massive chest."

And after a day in the pit lane, how does Rachel like to finish off her perfect Sunday?

She said: "Northamptonshire has some of the best pubs in Britain, for my money.

"There are a few that I know – set back a bit from the A43 so they're not too busy.

"There's one I've been do which does a carvery that is second to none. But that's shut down at the moment, too. Bah!"

LEGENDS OF PORN

GIRLS ON TOP: Babe took charge of her career

PART 111 NATALIE KNIGHT

NAUGHTY Natalie Knight was born on May 17, 2000, in a small town in South Carolina.

At high school, she attended drama and acting classes.

Natalie has previously worked in a greenhouse for a couple of months and also as a waitress.

And she was really good at making cupcakes.

She made a detailed research about the porn business before stepping into it.

Her father said: "If you are going to be a porn star, be the biggest and best one."

By PENNY MARSHALL
news@sundaysport.co.uk

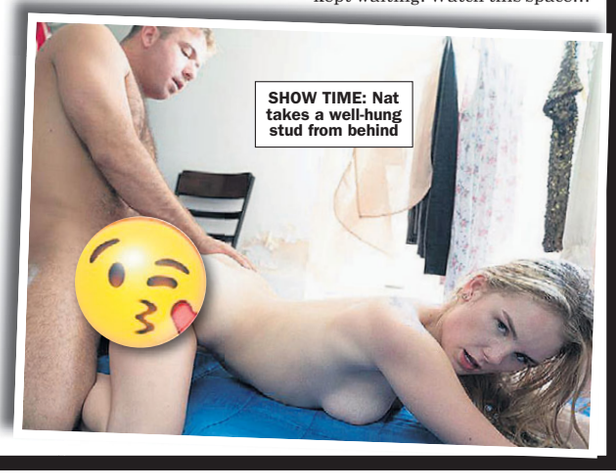
Nat made her debut in 2019, when she was 19, and shot four movies in her first week.

Before working in porn, she watched a lot of adult movies and had a particular liking for lesbian action.

Now that she's in the business, the 32B stunna has had her sweet pussy licked out by some of the biggest babes in the business.

She also LOVES the cock and is a BJ specialist.

But fans of bum fun are being kept waiting. Watch this space...



SHOW TIME: Nat takes a well-hung stud from behind

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet mates, relax and have a laugh over drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to Michelle and Yang from Manchester...

MICHELLE CHEN
AGE: 21
FROM: Manchester
OCCUPATION: Financial adviser
FAVE DRINK: Peachy keen
FAVE FOOD: Chinese
FAVE FILM: Enter the Dragon
FAVE ACTOR: Bruce Lee
FAVE HOLIDAY: Paris

YANG LUN
AGE: 21
FROM: Manchester
OCCUPATION: Receptionist
FAVE DRINK: Negroni
FAVE FOOD: Chinese
FAVE FILM: Red Dawn
FAVE ACTOR: Chris Hemsworth
FAVE HOLIDAY: Lanzarote

WORST SEX EVER

MICHELLE: My first shag was undoubtedly my worst. The guy I was with couldn't get it in and kept going limp, so I had to keep giving him handjobs to get it back up. It was a complete flop and I ended up going home totally disappointed before we'd even finished.
YANG: That sounds awful. I have to say my first time was pretty crap too. He had a big knob and it was painful. It didn't help that he was a virgin too, so we both fumbled around and it was embarrassing. I was just glad it was over so that I could have a better go next time.

FAVOURITE POSITION

YANG: The best position to have an orgasm is on top, so that's got to be my first choice. You also have more control on top and can say how fast or slow to go and he can touch your boobs at the same time. What about you?
MICHELLE: I'm a doggy-style girl. It's a position you can use wherever you are and you get deep penetration. Plus, if he's not brushed his teeth and has smelly breath, you don't have to kiss him.

ONE-NIGHT STANDS

MICHELLE: Do you like one-night stands?
YANG: I don't know, I've never had one. It doesn't appeal to me. It takes me a while to relax enough to enjoy sex, so I can't imagine I'd have a very good time with a stranger. Plus, I wouldn't know what he likes in bed, so he might think I was crap. Have you had one?
MICHELLE: I had one after meeting a guy for a date. I hadn't planned to take him home but I had a few too many drinks and thought "what the hell?" I enjoyed it, but one night was enough.
YANG: Have you seen him since?
MICHELLE: He texted me for a few days afterwards, but I ignored him. I think if I was having a dry spell and was feeling horny, I'd have a one-nighter again.

LESBO LOVING

MICHELLE: What do you think about sleeping with a woman?
YANG: I don't think I'd sleep with a woman on our own but if it was part of a threesome I wouldn't mind. I've not met anybody that I'd like to try it out with though. Have you had any girl-on-girl action?
MICHELLE: I've snogged a girl, but that's as far as it went. I can't imagine I'd ever sleep with a woman, it's not my thing.
YANG: Yeah, I prefer someone with a cock. Which woman might you fancy?
MICHELLE: Jennifer Lopez would be my ideal if I was lesbian. I like her face, she's very pretty and has got a good butt.
YANG: I'd prefer Chen Hao. She seems like someone you could have a good chat with afterwards.
MICHELLE: When I snogged my girl friend, it was part of a threesome with a hunky guy.
YANG: That sounds fun. Did you go any further?
MICHELLE: No, the guy didn't give us the chance.

MOST EXCITING SEX

YANG: It sounds quite boring, but the best bonk I've ever had was when I had my first orgasm. We were in my bed and I'd dressed in a corset and suspenders. My boyfriend was gagging for it the minute he saw me and made sure I came before he climaxed.
MICHELLE: It sounds like you had lots of fun.
YANG: Oh we did. How about you?
MICHELLE: I once did it in a car, which was different to the sex I'd had before. It wasn't romantic, but it was exciting because we were in the middle of a casino car park and there were cameras everywhere.
YANG: Did anyone see you?

> **"Our romp on the beach was going so well until we were spotted – I found it funny and ran off"**

MICHELLE: I don't know, we were too busy steaming up the windows to care.

BUM FUN

YANG: Have you ever had anal sex?
MICHELLE: I've been asked several times but always said no. I think it's something you should do in a serious relationship and most of mine have been flings. Maybe I'll try it when I'm married. What about you?
YANG: Well, my latest boyfriend and I were watching a porn movie that had anal sex and I could see it got him aroused, so I told him we should do it. It hurt a bit at first, but I gradually relaxed and ended up really enjoying it. We've done it a few times since and it gets better each time.

WILLY SIZE

MICHELLE: I don't think size matters as long as it's big enough to satisfy. The second person I slept with had the biggest member but it didn't mean he was the best person I've slept with.
YANG: No, a mid-size penis is the best. If it's too big, then it hurts. My first boyfriend had a large one, which didn't help when we tried to have sex. The second guy was too small, but my current boyfriend has got the perfect knob.

SPIT OR SWALLOW?

MICHELLE: Definitely spit. Swallowing is just too disgusting and if a guy ever tried to make me, I would spit it in his face.
YANG: I'm with you on that one. I much prefer spitting. I don't think the guy cares, at the end of the day he's achieved his goal.
MICHELLE: Have you ever swallowed?
YANG: I have, but only once and it made me feel sick. I might try it again with the right person, but for now I'm happy to make a quick exit to the loo to dispose of it down the sink.

SEX FANTASIES

MICHELLE: Mine is to join the Mile High Club, but I've never had the chance to carry it out. There's something naughty about doing it with a plane full of passengers near you.
YANG: Would it be with a stranger?
MICHELLE: No, I'd rather join the club with someone I was with. Have you lived out your fantasy?
YANG: Not yet, but I'd love to have someone pull over in a car park, lift my skirt up and shag me in the car.

SEX TOYS

MICHELLE: I've never used a sex toy. Have you?
YANG: I think the best sex toy is my boyfriend's cock. It never runs out of batteries and is at hand whenever I want it. What would you like to try if you could?
MICHELLE: I'm not sure, but cock rings look interesting.

OH-NO MOMENT

MICHELLE: When I was on holiday last year, I had sex with my boyfriend on the beach. It was all going so well until an old couple spotted what we were doing. I just found it funny and ran off. But it was pretty embarrassing getting caught!
YANG: I always find it bad when I start fanny farting during sex. I want to curl up in a ball when it does.

DRESSING UP

MICHELLE: Do you enjoy dressing up?
YANG: Yes, I have a PVC nurse's uniform. It always makes sex exciting when I put it on. It turns guys on as well.
MICHELLE: It's wipe-clean too, that's an advantage.
YANG: True, I've been thinking about buying a bunny girl outfit. They look cute and I know I'd look sexy in one.
MICHELLE: I've never worn a costume, but I enjoy putting on sexy lingerie for blokes. I love it when they rip it off me and it always gets me turned on. I find that the more effort you put into things like that, the more effort the bloke puts in.

Meet Ava Austen –

the tattooed porn legend from TELEVISION X HD

I LOVE HOT INTIMATE PASSIONATE SEX!

By JAYNE FERGUSON
news@sundaysport.co.uk

BRITAIN'S biggest and best adult TV channel – Television X – is famous for its RED-HOT porn stars in UNCENSORED X-rated action.

And while we love to see big-boobed babes take yards of rock-hard COCK on the small screen, it's nice to know what makes our porn performers tick.

We caught up with tattooed porn megastar Ava Austen, 33, from south London, to chat about her wildest exploits in front of the camera…

HOW DID YOU GOT INTO PORN?

I met a gorgeous open-minded woman while swinging with my husband and she tempted me in to the business.

I shot my first scene with her, too. It was produced and directed by Liselle Bailey and shot by Trash Meister.

WHAT DO YOU LIKE MOST ABOUT BEING A PORN STAR?

I love the freedom it gives me to express myself like nothing else – and I love sex!

It turns out I like acting and performing, too. It's an art form, and I enjoy producing and starring in my own stuff, as well as working for the big UK companies like Television X.

WHAT TYPE OF PORN DO YOU LIKE TO WATCH?

I like pretty straight forward, hot, intimate and passionate sex between a guy and a girl.

I also love lesbian scenes with porn girls I've not worked with yet. Some of the American girls are amazing!

WHAT PORN STARS DO YOU LIKE TO WORK WITH?

I've made some great friends in the industry and it's always amazing when I get to work with them and make some magic!

Angel Long, Rebecca More, Alexxa Vice and Sophie Anderson are my favourite babes!

WHAT TYPE OF MEN ARE YOU ATTRACTED TO?

In a male work partner sense, I like guys who can make me feel at ease on set.

WHAT'S THE WILDEST THING YOU'VE DONE ON A PORN SHOOT?

A stand out filthy scene I did was for TVX. It was with Sophie Anderson and Marc Rose and shot by Angel Long for her series *Angel Long's Foot Addicts*.

It was a scene where Sophie and I put our feet to good use, shared lots of spit and gave Marc a good seeing-to!

IF you'd like to see some more of Ava getting up to some filthy fking then head over to *www.televisionx.com* or call 0871 075 6969 NOW!**

PICK

TODAY

TOMORROW

Devon and Cornwall – C4, 8pm

ON the Isles of Scilly, fisherman Adam Morton and his family make the most of the busy tourist season at their fish and chip shop, while over on the Cornish mainland, farrier and horseman David Jones and his daughter Myrtle head out to tackle a rampant bracken problem in an old woodland.

Steamboat enthusiast Nigel Cooper sails his vessel the Halcyon along the river Dart for Dartmouth's Royal Regatta, while in Trebah Garden on the south coast of Cornwall, head gardener Darren Dickey is creating a new Victorian-style stumpery with an array of ferns.

Mystery's no walk in the car park

Murder in the Car Park – C4, 9pm

DOCUDRAMA about the killing of private investigator Daniel Morgan, who was found in the car park of a south London pub with an axe lodged in his skull and £1,000 left poking out of his trouser pocket.

The subsequent inquiry has lasted for over 33 years, and cost £30million, but has so far failed to convict anyone of Morgan's murder.

For the first time, those that were alleged to have committed the crime, the police officers who investigated, and the grieving brother of the victim all tell their story.

OF THE TELLY

By BARNEY SAMUELS

This is fued for thought!

The Big Country – BBC2, 1.40pm

A NAIVE sea captain learns a harsh lesson in cowboy lore when he becomes embroiled in a family feud.

Tensions are running high between his future father-in-law and a hillbilly clan over the thorny issue of water rights – and neither party is impressed by the newcomer when he refuses to take sides.

Western, starring Gregory Peck, Charlton Heston, Jean Simmons, Burl Ives and Carroll Baker.

For my money, the most iconic Western theme tune, too.

Rogue One – ITV, 7.30pm

IN a galaxy far, far away, Jyn Erso – the maverick daughter of scientist Galen Erso – joins the Rebel Alliance.

On the planet Scarif, she and the freedom fighters, including a blind warrior and a deadpan droid, attempt to steal plans for the Death Star, a battle station capable of destroying entire worlds, which was designed by her father on behalf of the Empire.

However, the Rebels face tough competition from Imperial warlord Orson Krennic and shadowy forces, including Darth Vader, who will come to play a major part in the rise of the Empire.

Brilliant Star Wars prequel set before the events of A New Hope.

The Salisbury Poisonings – BBC1, 9pm

NEW series. On March 4, 2018, emergency services in Wiltshire descend on Salisbury city centre where they find former spy Sergei Skripal and his daughter Yulia unconscious on a park bench.

They are taken to hospital where doctors struggle to diagnose the source of their illness, while Detective Sergeant Nick Bailey decides to investigate the Skripals' home to see if there are any further casualties, but soon after returning to work he too begins to feel ill.

Fact-based drama, starring Rafe Spall and Anne-Marie Duff.

TUESDAY

This Week on the Farm – C5, 8pm

NEW series. Helen Skelton and Jules Hudson present a show in which farmers document their lives.

The first episode comes from Cannon Hall Farm in South Yorkshire, and features a Highland cow getting ready for an online country show, the construction of a new home for a herd of sheep, and a vet treating a lamb with a broken leg.

In Carlisle, a herd of cattle are let loose on the Cumbrian salt marshes, and in North Yorkshire, a financial advisor becomes a vegetable picker.

Bake Off: The Professionals – C4, 8pm

LIAM Charles and Tom Allen welcome six new teams into the tent and challenge them to prepare 24 perfectly uniform miniature classics – tarte chiboust vallée d'Auge and rice puddings.

In the second round, they put their own spin on Florida's famous key lime pie, which must be decorated with towering edible sculptures.

Benoit Blin and Cherish Finden assess the results and decide who will be going on to the next round.

DON'T MISS THIS!!!

Page Three: The Naked Truth – C4, Thursday, 9pm

THIS year marks the 50th anniversary of the first appearance of the Sun's page three girl.

Here, in this look back at uniquely British institution, some of the most famous models tell their stories.

Sam Fox (*right*), Jilly Johnson, Maria Whittaker and Keeley Hazell describe the highs and lows of their profession, Rhian Sugden and Emma reveal some of the problems that came with tabloid scandal and Hannah Claydon talks about the countdown to her debut.

TARA: WINE & DINE ME!

By WENDY THOMAS
news@sundaysport.co.uk

TASTY Tara May says that she LOVES her job – and gets a real THRILL flaunting her jaw-dropping curves.

The 26-year-old, of Essex, is a bubbly and busty brunette who can't get enough of the party lifestyle and having adventures.

However, the 32DD lovely is after a fit bloke who wants to wine and dine her before taking care of her, after she's partied the night away.

Romance

Tara said: "I'm really outgoing, bubbly and love to party as well as have adventure and try out new and crazy things, so it doesn't leave much time for romance!

"I'd love to find a guy who's confident and has goals in life.

"He could take me to a five-star restaurant to wine and dine me first.

"Then maybe I'd show him how to party at a top club before we head off to a luxury hotel where he could REALLY look after me…"

Form an orderly queue, gents!

Our poor postman has been walking bow-legged carrying all the letters from al the lusty readers begging us to print more snaps of glamour legend Linsey Dawn McKenzie.

So here she is!

And Linsey is looking HOTTER than ever.

The busty brunette has been appearing in Britain's brightest paper since she was a teenager and the reader favourite can teach her fellow girls a thing or two about posing – and how to be top notch in the bedroom, too!

Croydon-born beauty Linsey said: "I might be a little older than the other *Sport* stunnas but when it comes to sex, I could show them all a thing or two."

The 34HH cracker added: "I give the deepest deep throat in the world!"

LOLA'S LUSTING TABOO LOVING

By WENDY THOMAS
news@sundaysport.co.uk

IN her crisp white panties and bunches, stunning Lola Taylor looks like the picture of innocence.

But looks, dear reader, can be deceptive.

Because the 27-year-old porn star from Russia is as dirty as a Moscow mongrel's arsehole!

Lola – real name Iyubov Bushueva – said: "I had to dump a boyfriend last week because he refused to f**k me in the ass.

"I say to him, 'Why you not f**k me in the ass?' and he say 'ass f**king is for the homosexual and besides, it is ungodly.

"I no need for a basher of the Bible – I need man who give me good, long, hard bashing in the ass, with his big, stiff dick!

"Now I have new boyfriend. He has bigger cock and he cannot keep out of my ass. Ooof! And the semen? Whoa, so much semen, I drown when he come…GLOOP!"

THE WORLD FAMOUS AGONY Page

Dear Kelly,

HOW can I stop my husband going off like a firecracker, when we're having sex? Two firm tugs on his plonker and he's nearly there, which is no fun for me.

When we were first married, about 12 years ago, we were at it all the time. And his stamina in bed was great. But now I've stopped undressing in front of him because he gets so excited.

Last week I put on a basque, stockings, suspenders and crotchless knickers and called him up to the bedroom. I could tell he was trying to control himself by the beads of sweat on his face.

He sat on the bed as I teased him but when I took out his hard manhood he blew his load in my eye. He says it could be because we only do it once a year, usually on his birthday. Could he be right?

EL, email

Kelly says...
WELL, maybe if you had sex more often he would learn to control himself. Practice makes perfect.

Dear Kelly,

I WORK at a fast food restaurant and was recently left to lock up at the end of a shift.

Before heading home I made myself a thick milkshake and sat down in the break room to watch some late night TV and have a cheeky w*nk. I got so carried away that I didn't notice one of the girls from the front desk come back in.

I'd always thought she was a bit of a cow, so I was gobsmacked when she told me to carry on tugging, while she lowered her skirt and stuck her hand in her knickers. And she egged both of us on with some dirty talk – so I was soon spurting my own thick shake.

But she just pulled up her skirt and walked off. Now I'm desperate to shag this girl. What can I do?

RS, Nottingham

Kelly says...
TRY and catch her alone somewhere and ask her out for a meal. I bet she'd love a decent nosh!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY McGREGOR has read your letters and emails. Here's her advice...

Help! My hot lesbo lover is banging my hubby too

Dear Kelly,

I'M a 33-year-old woman with a husband AND a lover.

The trouble is, my lover is also sleeping with my hubby.

Needless to say I'm bisexual, which my husband knew all about when we wed two years ago.

In the first year of marriage our sex life was great but then it began to go stale so I set out to find a lesbo lover.

I went to a gay club and was approached by a strapping blonde with huge boobs.

We got on well and we were soon kissing and cuddling in a dark corner.

As we kissed she slid her hand up my skirt and began to finger me through my panties.

Eventually she whispered that we should go back to her place.

So about 10 minutes later we were in her flat, naked on the bed, licking each other's fannies out.

Then she took a dildo from a bedside drawer and slipped it in me for a sensational session that ended with me having one hell of an orgasm.

I then brought her off with my fingers and tongue and we agreed to meet up once a week.

I told my husband all about this and he said it was fine by him.

He also confessed he'd met a nice girl who he was having sex with and went on to describe what they did together.

He revealed that she loved him to shag her doggy-style and that she also liked him to use sex toys on her.

But I was dumbstruck when he showed me a pic of her on his mobile – it was my blonde lover!

I almost told him but I bit my tongue. And when I saw her two nights later I told her the guy she was f**king was my hubby.

She didn't believe me – until I showed her our wedding photo.

Now I don't know what to do because I love them both and they care deeply about each other.

Any advice?

DA, email

Kelly says...

INVITE her round for dinner – you may have a great threesome together!

Dear Kelly,

ISN'T it amazing how a little bit of sunshine always brings the nice women out?

The other day I went for a walk in the park and couldn't believe the number of nubile babes in short skirts. I almost messed my trousers.

One particular lady was wearing a tiny tartan skirt and knee-length boots. Now I'm a smoothie with the ladies and it wasn't long before we were kissing and cuddling and I had my tongue down her throat.

We found a quiet bit of the park, behind some bushes where she stripped and sucked my cock, before I f**ked her doggy-style.

When we'd both orgasmed she just put her knickers back on and walked off without saying a word. What do you think?

TT, South Yorkshire

Kelly says...

I HOPE you didn't leave any litter behind.

SLOP! SLOP! SLOP!
BUZZZZZZ
It's been a while since I've had this kind of action. It was 1982 and I'd just left the colliery with a hefty payout

Kelly says...

By JAYNE FERGUSON
news@sundaysport.co.uk

BOUNCING Czech Lena Love was not actually christened Lena Love, you won't be surprised to read.

She was born plain Lucie Cerna in Prague.

But the moment a cock entered her pussy, Lena knew that was what she wanted to do for a living.

The 32-year-old, who has 32D boobs, said: "I love sex, so I decided I wanted to be a porn star.

"Soon I had cock in my pussy and my ass and I quickly became an international star.

"I am now most famous for the watersports films. I love to make the piss movies – tinkle, tinkle… AAAH!"

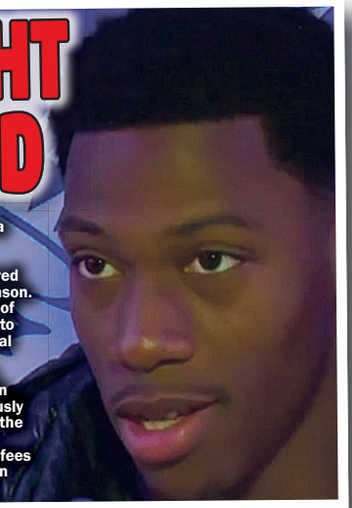
REDS FIGHT FOR DAVID



ARSENAL and Manchester United are in a battle for Gent hitman Jonathan David.

The 20-year-old is one of the hottest properties in Belgian football having scored 23 goals and provided 10 assists this season.

Gent are trying their best to keep hold of the Canadian but know it will be difficult to stop a Premier League giant getting a deal done when the transfer window opens.

David is keen on the move to England, saying: "The Premier League is the best in the world and most competitive so obviously that is somewhere I would love to play in the future."

Belgian clubs don't often ask for huge fees but it's hard to see him going for less than £30m if a bidding war breaks out.

CHELSEA CHILL OUT

Leicester shave £40m off price for target Ben

By MIKE FRANCIS

CHELSEA have been boosted in their pursuit of Leicester full-back Ben Chilwell.

The Foxes have lowered their amazing £80m asking price for the England defender by half. It means the Londoners would have to shell out a much more reasonable £40m to get the deal done.

Leicester know they are working in a very different world after Coronavirus. Although Chelsea are still minted, there's a limit to how much they will spend on Frank Lampard's targets.

Former Stamford Bridge defender Glen Johnson thinks Chilwell should jump at the move.

He said: "Ben the sort of out-and-out left-back Chelsea haven't had for a while. I know Ashley Cole was irreplaceable, but in terms of a natural, solid left-back, they haven't had one for a while and I think he'll do very well."
